City yesterday. Unless the people

radical action, he said. Voliva denoun-

church, having expelled the late leader
one year ago yesterday."I say to you officers and people,
that one month more I will give you.
On May 1, if you do not make a radi-
cal move, I shall make one, and put a
stop to this criticism of me."He then recited his own deeds,
claiming he had made Zion what it
was. He said he would make the
community the wonder of the age, and
set it strongly on its feet financially.
